Re: Building of our Post Home.

The Veterans of Foreign Wars (VFW) Post #7193 will be constructing a state of the art community facility that will become our Post Home in the city of Ocala, Florida. To that end, the City of Ocala has been very generous in donating five (5) acres of land for this worthy project (property Location, 3110 NW Old Gainesville Road).

To accomplish our goal we have begun an aggressive Capital Campaign. The campaign will be multi-faceted and will include application for federal and state grants, state wide and national resource development and local fund raising activities. We are in desperate need of start-up funds, Now! Therefore, this is a request to all of you to help us in our efforts.

Upon completion of this project, it will benefit **all Veterans of all Wars**, and Local Citizens. With your support this project will become a reality. Please donate any funds you can.

Note: VFW Post #7193 is a 501(c)(3) organization, i.e., your contribution is tax deductible. (Tax ID number available upon request).

Please be informed, VFW Post # 7193, is named in honor of Louis Brady and John A. Owens who were among the first servicemen from Ocala, to be killed in action while serving in the European Theater during World War II.

- Individual Contributions in the amount of \$250.00 or more will be listed on a plaque and displayed as a perpetual thanks and appreciation.
- In addition to the plaque, Business and Churches Contributor(s) of \$5000.00 or more will have free use of the facility for conventions, weddings, meetings and other events, for a period of ten years.
